

A New member of staff

Imagine a new teacher would like to join the staff at Hogwarts School of Witchcraft and Wizardry. Can you put together an application form for them?

Don't forget to include their name, address, contact details, education and training, previous experience, skills and references.

1 hour CU learning credit upon submission of your application form.

Bertie Bott's Every Flavour Beans

Bertie Bott's Every Flavour Beans come in all sorts of flavours. Some are ordinary like strawberry and peppermint and some are disgusting like dirty sock and earwax. Can you come up with at least 5 more disgustingly flavoured beans and make a poster to advertise these latest additions to the range.

1 hour CU Learning credit upon submission of a copy of your poster

Harry Potter Surprise Party

You're throwing a surprise birthday party for your best friend who is a Harry Potter fan. Put together a plan of how you would decorate the room, what sort of food you might eat and games that you might play.

Maybe you could design some invitations and don't forget the cake – what would that look like?

1 hour CU learning credit on submission of basic plan. 2 hours CU learning credits for plan + samples of decorations and invitations.

Harry Potter Wordsearch

Make a wordsearch of Harry Potter characters. Its best to start with a grid or squared paper, put in the names (across, down or diagonally) and then fill in the rest of the squares with random letters. Add a list of the characters to find. Ask a friend or family member to complete it.

My Spellbook

Have fun making up your own spell names just like the ones Harry Potter and his friends learn at Hogwarts. Make sure you make up some very good ancient sound names!

Do my homework for me.....
Tidy up my bedroom.....
Make a delicious chocolate cake...
Make my bed.....
Make my teacher stay in bed today.....
Give everybody the giggles.....
Make everybody except me freeze.....
